Research Interests

Dr. Kashif completed his PhD from University of Agriculture Faisalabad Pakistan in 2021. Now he is working as Post doctoral researchere at FOCAS TU Dublin Ireland. His research interests primarily focus on the spectroscopic study of biomaterials and chemicals, nanoparticle applications in spectroscopy and material analysis, and chemometric tools in data analysis. study of molecular and nanomaterials, bio-spectroscopy for diagnostics, cytological analysis, and nano-bio interactions.

Employment

Post Doc Researcher
Physical to Life Sciences Research Hub
Technological University Dublin
19 Feb 2024 → present

Hub Associate
Physical to Life Sciences Research Hub
Technological University Dublin
1 Jan 2025 → present

Centre Associate
Nanolab Research Centre
Technological University Dublin
30 Sept 2024 → present

Lecturer Chemistry
Higher Education
6 Sept 2012 → present
